

# Department of Bioengineering

UNIVERSITY OF COLORADO **DENVER** | **ANSCHUTZ MEDICAL CAMPUS**

## Program of Study – Advising Worksheet (MS)

*This form should be filled out collaboratively between the student and the advisor in the first semester of study, and revisited each semester of the student's program. Consider if the student will petition out of any core classes or if they will petition for substitutions for any core classes (consult the relevant policies and petition forms for more details)*

Project Advisor (if different): \_\_\_\_\_

Matriculation Term/Year: \_\_\_\_\_ Current Term/Year: \_\_\_\_\_

Expected Graduation Term/Year: \_\_\_\_\_

Please select your track:      Thesis Track              Project Track

Research/Project Topic or Title: \_\_\_\_\_

Prior Term GPA: \_\_\_\_\_ Cumulative GPA: \_\_\_\_\_

**Core Class Record** – Please list waived, transferred, or substituted core credit hours.

Institution	Course Number	Course Title	Year	Term	Credit Hours	Grade
CUDEN	BIOE 5010	Cell and Molecular Biology for Bioengineers (Life Science I)			3.0	
CUDEN	Varies	Life Science II Requirement (See 2016-2017 Handbook for course options)			3.0	
CUDEN	BIOE 5020	Analytic Methods for Eng. Analysis			3.0	
CUDEN	BIOE 5021	Numerical Methods for Eng. Analysis			3.0	
CUDEN	Varies	Technology I Requirement (See 2016-2017 Handbook for course options)			3.0	
CUDEN	Varies	Technology II Requirement (See 2016-2017 Handbook for course options)			3.0	
CUDEN	BIOE 5040	Research Methods for Bioengineers			2.0	
CUDEN	BIOE 5041	Clinical Experiences for Bioengineers			1.0	

Must have at least a B- for credit toward degree. 21 credit hours required.

Total

**Elective & Thesis/Project Record** – Please list any transferred credit hours.

Elective Hours must be graduate level (5000-level or above), relevant to a student's course of study, and approved in advance by the students BIOE Core Faculty Advisor.

Institution	Course Number	Course Title	Year	Term	Credit Hours	Grade

*Must have at least a B- for credit toward degree. IP must be converted to letter at defense.*

**Comments on academic progress and other activities or training:**

**Progress to Graduation Checklist**

Yes	No	N/A	Item (In rough chronological order)
			Have you completed the Program of Study?
			Have you chosen a thesis/project topic and advisor?
			Have all core class waiver or substitution petitions been filed and approved?
			Have all credits been transferred and appear on your transcript?
			Have you declared your intention to graduate in UCDAccess?
			Have you submitted your thesis for formatting check to the Graduate School?
			Have you filled out the Application for Admission to Candidacy?
			Have you set a date and submitted the Request for Final Exam?
			Have you submitted your final thesis or project document?
