

Bioengineering Opportunities & Leadership Training
Hosted by the University of Colorado Denver | Anschutz Medical Campus Department of Bioengineering

BIOENGINEERING SUMMER CAMP FOR HIGH SCHOOL STUDENTS

CU Anschutz Medical Campus

Session I June 8 - 11, 2026

Session II June 15 - 18, 2026

Session III June 22 - 25, 2026

Students will participate in a variety of activities including:

- 3D printing
- Touring labs on the medical campus
- Building prototype devices
- Interacting with doctors, researchers, and industry leaders
- Gaining applicable clinical and laboratory skills, exploring tissue engineering, & so much more!

BOLT

Bioengineering Opportunities & Leadership Training
Hosted by the University of Colorado Denver | Anschutz Medical Campus Department of Bioengineering

Sample Schedule | Mon-Thurs | 8am-4:30pm

MONDAY

- 3D printing
- Medical Imaging Microscope
- Global Health
- Center for Inclusive Design Engineering
- Human Anatomy Lab
- Design Project: Intro to Clinical Problem

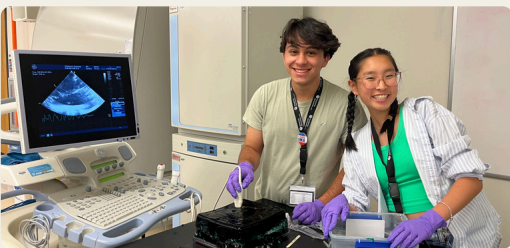

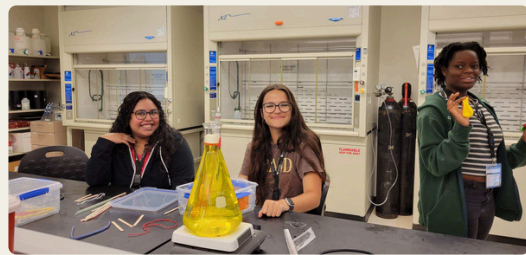

TUESDAY

- Design Project: Brainstorming
- Intro to Coding
- Flight for Life
- Learn Soldering
- Build Heart Rate Monitor Circuit

WEDNESDAY

- Design Project: Prototyping
- Amazing Race Campus Tour
- Career Panel Networking

THURSDAY

- Neuroscience of Locomotion
- Disability Etiquette
- Prosthetics and Biomechanics
- Design Project: Presentations
