

Construction Management Minor Coursework Form 2020/2021

The student is to complete this form when declaring his/her minor and will use it to ensure all required coursework is successfully completed by graduation. Courses to be taken in the student's final semester should be listed with a notation of "IP" in the Grade Received column (see below). Courses taken on a Pass/Fail basis may not be used for a minor.

Upon applying for graduation, send your completed form to engineering@ucdenver.edu. The coursework will be evaluated and certified or denied by the minor granting department. If all coursework is successfully completed, the minor will be noted on the student's official transcript. If all coursework has not been completed, the minor will be removed from the student's profile.
