

CS Undergraduate Curriculum – Fall 2023

3000 & 4000 level CSCI courses are semester dependent. Courses may be offered more frequently as resources allow, but students cannot expect them to be offered off-semester. Students should use the rotation shown on this flowchart as a guide for planning their upper level courses.

CSCI 4551, 4738 & 4739 will not be offered off-cycle.
