2. **CS Faculty:** _____

3. **CS Faculty:** _____

Comprehensive Exam Date:

Comprehensive Exam Results:

*CSIS student must follow the graduate school rules for dissertation hour enrollment. After completing 30 hours of dissertation hours, a student need only register for 1 hour for each fall and spring semester until successful dissertation defense. Students who are unable to register for these minimum credits because of extenuating personal circumstances should apply for a leave of absence as explained in section (3.ii) of the Graduate School handbook.
