Department of Computer Science and Engineering
University of Colorado Denver

Request to Take the CSIS Preliminary Exam in the CS Track

Please complete this form, print and sign it and return to the CSE Office by December 5th of the semester prior to taking the preliminary exam. The Architecture and Operating Systems subjects will be given on the Thursday before the start of Spring semester classes each year at 10:00 and 12:00 respectively. The Algorithms and Theory exams will be given on the Friday before the start of Spring semester classes each year at 10:00 and 12:00 respectively. Prelim exams are given once per year.

Student's Name:

Enter semester and year to take the exam *(Ex: Spring 2021), exam area(s) to be taken at this date. Each student will need to complete a minimum of three out of four subject areas.*
Students may signup to take one, two, or all three subject area exams at the exam time as long as all three subjects are completed by the second year. Students who have not signed up for an exam may not be able to take the exam)

Date	Algorithms	Computer Architecture	Operating Systems	Theory

Student Signature: **Date:**
